Item 1.02 Termination of a Material Definitive Agreement.

On May 2, 2017, TeleHealthCare, Inc. (the “Company”) was notified by Mediprocity, developer of the Company’s CarePanda App, of their intent to cancel their White Label Agreement with the Company. At this time the Company is looking to license or partner with a new company to continue to manage our existing customers. It is unknown at this time how long this will take or whether the Company will be able to do so. The cancellation of the Mediprocity Agreement has a material adverse impact on the Company’s ability to sell the CarePanda app until a new app can be developed or licensed.

On May 4, 2017, the Company was notified by Re-Habit LLC, exclusive reseller of Company’s CarePanda App for the Drug and Detox markets, of its termination their Reseller Agreement. At this time the Company is looking for a new partner to resell Company’s CarePanda App, but that will be dependent on finding a new mobile app developer and/or mobile app company to work with.

Item 5.02 Departure of Director.

On May 7, 2017, James Donahue resigned as a member of the Company’s Board of Directors and Chief Financial Officer (CFO). Mr. Donahue’s resignation was not a result of any disagreement with the Company.
